THE CHALLENGE IS SIMPLE – You'll spend the next six weeks improving your health, your happiness, and your relationship with yourself and others.

HERE'S HOW IT WORKS – The Challenge goes for 6 weeks. Each day, you'll earn points for completing each of the 7 Daily Habits:

NUTRITION		Eat nutritious, healthy foods from your food list
EXERCISE		Be active 10 minutes a day
MOBILIZE		Stretch 10 minutes a day
SLEEP		Sleep for a duration you select, one that leaves you feeling rested
HYDRATE		Drink ounces of water equal to your body weight (in pounds) ÷ 3
WELL-BEING		Learn weekly practices to help you feel happier and more connected
REFLECT		At the end of each day, write briefly about how the day went

SCORING

EACH HABIT IS WORTH 5 POINTS PER DAY UPON COMPLETION.

You'll record your points on the WLC website, the iOS App, or the Android App, staying on track and accountable for your results. You can play by yourself or on a team with friends, and you'll climb the leaderboard as you make progress. All scores are yes/no – you'll receive 5 points for completion, 0 points for non-completion.

The exception is your Nutrition score. You'll start your day with 5 points and deduct 1 point for each serving of non-compliant foods you consume.

BONUS TOKENS – During the Challenge, consistently posting perfect (or near-perfect) scores earns Bonus Tokens. These are in-game rewards for healthy behavior, allowing you to have a bad day without negatively impacting your overall score.

INDULGENCE BONUS

Earned for losing 2 or less Nutrition points over any consecutive 4-day period, this bonus automatically adds 1 nutrition point to your next imperfect Nutrition score.

REST DAY BONUS

Earned for getting your Exercise points for 10 straight days, this bonus allows you to miss a day of Exercise and still receive 5 points for that day.

NIGHT OWL BONUS

Earned for getting your full night's sleep for 6 consecutive days, this bonus allows you to miss your Sleep requirement and still receive 5 points for that day.

FREE DAY BONUS

The mother of all bonuses, this is earned for losing 5 or fewer total points over any consecutive 21-day period. A Free Day Bonus gives you a perfect score across all 7 Daily Habits on a day of your choosing.

GETTING STARTED – Follow these steps to begin the Challenge. Whether you choose to play on **desktop**, mobile browser, **iOS App**, or **Android App**, you'll be guided through each step during the setup tour.

STEP 1 JOIN OR CREATE A TEAM

Play with friends and family, and build the community you'll need to succeed in the Challenge.

STEP 2 PICK A NUTRITION LEVEL

Choose Kickstart, Lifestyle, or Performance **nutrition level**, depending on your goals and personality.

STEP 3 CHOOSE SLEEP DURATION & WATER INTAKE

Commit to getting a certain amount of sleep every night, and calculate your daily water intake (body weight in lbs. \div 3 = your intake in ounces, body weight in kgs. \times 20 = your intake in milliliters).

STEP 4 TAKE YOUR PRELIMINARY MEASUREMENTS*

Take one or more preliminary measurements to document your progress during the Challenge. You'll choose a marker (or markers) that speak to you – a survey, a fitness test, body measurements, before-and-after photos, and more.

*You'll repeat these measurements at the end of the Challenge to see how far you've come.
